1. **Look in your binder-Assignment Section** for the **Contrast Assignment**. Ermes is the only one who completed it satisfactorily and showed me. Maybe he will be willing to assist anyone who needs help. Ashley B. can refresh your memory on how to add color options.

2. Do whatever it takes to complete this assignment before doing anything else! **NO EXCUSES** that you didn't have time because you were busy with cluster pages!!! You will be graded on what ever you turn in to the PM Assignment 2 folder.

**Save file as: Text\_Contrast\_PM2\_Lastname**

**-10 points for misspelled filename!!!**

The idea of this assignment is to explore how to vary your lettering or TYPE (NOT FONTS) by changing how closely or spread out lettering is...

Type your first name press enter, type your last name press enter, type a descriptive word

Here are some tips:

Click on Type and look at how these items affect your name  
*leading, kerning, tracking, horizontal scale and alignment.*
